## PROJECT CASE STUDY

October 2014

### Dishoom

**Customer: Macaulay Sinclair**

**Contractor: Interiors UK Limited**

Dishoom is a buzzy destination in London, serving fine Indian Street food coming from the heart of Bombay. This popular café first came to London in 2012. With a strict no booking policy, you will see long queues outside any of their establishments in London, full of excited customers eager to experience Dishooms culinary delights.

AATi supplied anti-slip stair nosing type – SN30/60 in cast Gunmetal.
