PROJECT CASE STUDY - October 2013

## Poppies Fish and Chip Restaurant – Camden, London

AATi Commercial were recently engaged by the interior designers (Avocado Sweets) regarding the supply of suitable Cast Metal Antislip Stair Nosings for this Poppies Fish and Chip Restaurant in Camden, London designed with 1940s/50s fixtures and fittings. Our SN9/55 (<http://www.aati.co.uk/products/sn955>) Cast Aluminium Stair Nosing was eventually chosen as illustrated in the attached photographs.
