

AATi Commercial

PROJECT CASE STUDY

November 2016

Ned Hotel London

Customer: Ardmore Construction Ltd

Architect: KDS Architects

Former Midlands Bank building which is Grade I listed, has recently been renovated to provide a 252 bedroom hotel, restaurant with ancillary uses including bar, health and leisure facilities, event spaces, roof top terraces with a bar/restaurant and a swimming pool.

AATi supplied type SN23/55 Cast Iron Zinc plated anti-slip stair nosings throughout the hotel.
