

**HIGH PERFORMANCE ANTISLIP ANTIWEAR  
CAST METAL DRAINAGE GRILLE**

DATA SHEET: HG9/150	
DATE: July 2015	ISSUE: 2
ITEM: Drainage Grille	

**Item:** AATi™ HYFLO™ HG9/150 Drainage Grille, standard and special designs to suit application. Material and finish (with antislip surface) to match our cast metal stair nosings.

**Application:** This particular profile was designed for circumstances where drainage/standing water is apparent, for example, at the bottom of a stair case. This profile can be used in conjunction with stainless steel drainage channels.

**Materials:** In order to retain matching aesthetics the HG9/150 can be cast in the same material as AATi stair nosings; Nickel Bronze, Gunmetal and Cast Iron.

*\*This Drawing Channel Has Been Designed With Heel Safety In Mind.*

Special attention should be given to installation & drainage of this product. For further advice please speak to a member of AATi's technical department. Dimensions shown are nominal and subject to AATi manufacturing tolerances.
