

**HIGH PERFORMANCE ANTISLIP ANTIWEAR
CAST METAL STAIR NOSING**

DATA SHEET: SN3/SL3/280	
DATE: Dec 2014	ISSUE: 1
ITEM: Stair Nosing	

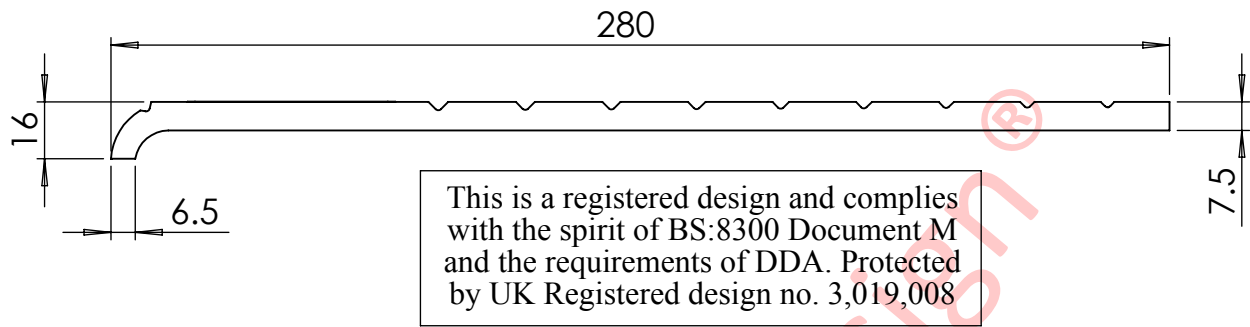

Item: AATi™ type SN3/SL3/280 -Sightline™ - stair nosing with silicon carbide granules cast into the metal matrix of the wearing surface. The front edge is defined by coloured abrasive inserts.

Application: For heavily used public stairways requiring high performance, extended life stair nosing of attractive appearance. Unique tapered surface grooves and cast in silicon carbide particles ensure safe performance in wet or dry conditions. This profile is to be used in conjunction with AATi coloured Aluminium riser plate to achieve 55mm x 55mm colour contrast required to meet current regulations. Please refer to assembly drawing, a copy is available upon request.

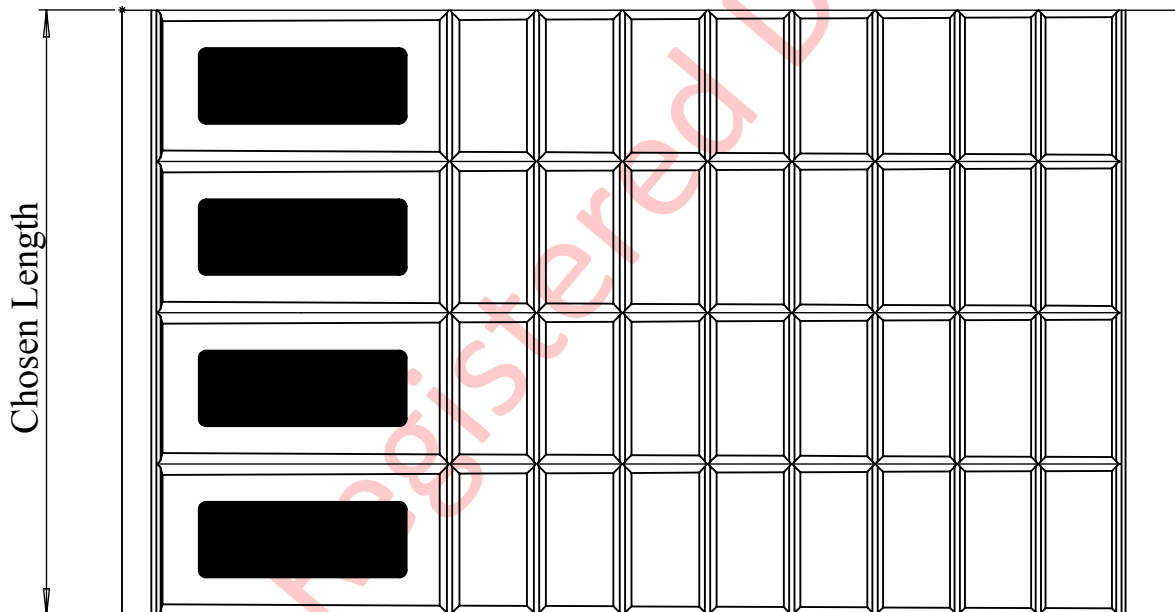

Materials: Nickel Bronze, Gunmetal, Aluminium. Safety Black inserts supplied as standard, other colours are available if requested.
